Description of Incident

Covington County July 8, 2014

3:15 pm Susan Morfe and I introduced ourselves to Melissa Duckworth, Circuit Clerk, and requested to acquire electronic voter files as well as Absentee Applications, Absentee Envelopes, Absentee Request Forms and Poll Books for the June 24, 2014 run-off election.

Ms. Duckworth said she had received advance notices from 'the other people' and asked if we had sent one. Susan said no and who are the other people? Duckworth acknowledged that they were candidate people. She then said that she was leaving the next day for a convention and she could not help us today. She asked us to put our request in writing. I asked if she had a form and she said no. She said we would not be able to help us until next Monday. We asked again about getting the electronic files today and she said no, and to come back Monday.

During the conversation, Ms. Duckworth looked down at her desk and would not look up at us.

Susan wrote out a request and we gave it to Ms. Duckworth @ 3:30 pm. (Request is attached)

Description of Incident, (cont)

page 2 of 2

When we gave MS. Duckworth the request, I requested to view the Military and overseas applications for the June 24 Run-off and she said they had none. She said they had a few in the primary but none in the run-off, even though the SOS had given TTV a figure of 4 UOCAVA applications for Covington Co. I clarified ~~me~~ with MS. Duckworth that she said there were no overseas applications for June 24 in her county.
